MARKET INTELLIGENCE PUBLICATION SCHEDULE
2026

2026	JANUARY	FEBRUARY	MARCH	APRIL	MAY	JUNE	JULY	AUGUST	SEPTEMBER	OCTOBER	NOVEMBER	DECEMBER
STATISTICS												
Ammonia												
Annual							Preliminary 2025			Annual 2025		
Quarterly	3Q 2025			4Q 2025			1Q 2026		2Q 2026			
Urea												
Annual							Preliminary 2025			Annual 2025		
Quarterly	3Q 2025			4Q 2025			1Q 2026		2Q 2026			
Ammonium Sulphate												
Annual							Preliminary 2025			Annual 2025		
AN/CAN												
Annual							Preliminary 2025			Annual 2025		
UAN												
Annual / Annual Summary							Preliminary 2025			Annual 2025		
Phosphate Rock												
Annual							Preliminary 2025			Annual 2025		
Quarterly	3Q 2025			4Q 2025			1Q 2026		2Q 2026			
Processed Phosphates												
Annual							Preliminary 2025			Annual 2025		
Quarterly	3Q 2025			4Q 2025			1Q 2026		2Q 2026			
Potash												
Annual				Preliminary 2025						Annual 2025		
Half-yearly									H1 2026			
NPK												
Annual												
SSP												
Annual (summary)												
STATISTICAL DATA FILES											2014-2025	
CAPACITIES												
Ammonia (summary)							2020 - 2030					
Urea (summary)							2020 - 2030					
Ammonium Sulphate (summary)							2020 - 2030					
UAN (summary)												
PP (summary)							2020 - 2030					
Potash (MOP) (summary)							2020 - 2030					
NPK (summary)												
CONSUMPTION STATISTICS												
IFASTAT Consumption Database							2024 update					
OUTLOOK REPORTS												
Medium-Term Outlook Public Summary						2026 - 2030						
Short-Term Outlook Public Summary	2024 - 2025										2026 - 2027	
Fertilizer Market Update			1Q 2026			2Q 2026			3Q 2026			4Q 2026
FERTILIZER USE BY CROP												
FUBC Report												
SPECIAL PRODUCTS												
Assessment of Global Markets for Special Products												2019 - 2025
REGIONAL INITIATIVES												
Chinese Translation of Statistical Data Files												2014 - 2025
Chinese Translation MT Outlook Public Summary							2026 - 2030					
Chinese Translation ST Outlook Public Summary	2024 - 2025
